Lloyd Center Mall**

**Lloyd Center will be hosting games, a slideshow, and prize giveaways.
Don't miss this fun and exciting event.**

The mall opened August 1, 1960 in its original 100-store, open-aided configuration. Upon opening, it was the largest shopping center in the Northwest. Very close to Portland's downtown, Lloyd Center was the first major retail development to seriously challenge it, aimed almost exclusively at commuters.

A major renovation in the 1990's enclosed the mall, and added new anchor retail spaces and food court.
